Instructions

Beginner Skill Level | 1 Hour Crafting Time

1. Find recycle graphics online and use with the Custom Silkcreen Kit. Follow instruction in the box to create your own silkscreen design.

2. Remove backer from silk screen stencils and position on bag.

3. Create your artist's palette by squeezing small amounts of each color on paper plate.

4. Using the paintbrush, apply Recyle Green paint over the "Think Green" screen element, wash out brush and blot excess moisture on paper towel. Using the paintbrush, apply Orange Peel paint over "Recycle symbol" screen element, wash out brush and blot excess moisture on paper towel. Using brush, apply French Roast paint over the "reduce, reuse, recycle" screen element, wash out brush and blot excess moisture on paper towel. Using brush, apply Bippity Boppity Blue paint over the "earth" screen element, wash out brush and blot excess moisture on paper towel.

5. Follow heat setting instructions on Silk Screen Stencil packaging.
